RE: NAIG Volleyball Athlete Selection – Phase II

Thank you to all the athletes, parents, and coaches for an awesome 2 days of volleyball this past weekend (Aug. 18-19). During this time, we definitely saw a demonstration of talent and passion for the sport of volleyball; so exciting! Athletes also had the opportunity to participate in 2 presentations: nutrition and mental wellness and sport. Such workshops are valuable in the development of all athletes whether they are just beginning or seasoned veterans. Therefore, we would like to acknowledge and thank Sask Sport Science and Medicine for providing us with the two presenters: Carla Coulson and Dr. Ryan Flett.

As a coaching group, it is our responsibility to select the best volleyball athletes to represent Team Sask at the Indigenous Games in Halifax 2020. The decision to only select the top 15 athletes per team was very challenging for the evaluators. In order to be selected to attend the final evaluation camp, athletes need a favorable evaluation of 60% or more from our independent evaluators. Athletes listed below are invited back to a New Year's Camp, tentatively scheduled Jan. 3-4, 2020.

Athletes invited to the next camp are:
